

Series 500 partition suite

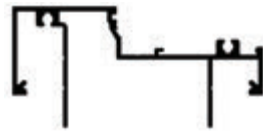

Our biggest selling partition system, series 500 is in hundreds of buildings throughout Victoria. If you want a solid-feeling system that's quick to install and very cost effective, this is the way to go. Configured so a 32mm edge profile is consistent when viewed face on, this system incorporates 51mm steel studwork & 13mm plasterboard. An acoustic rating of up to RW42 can be achieved.
